

## THE "INSIDE STORY": BUENA VISTA INTERIORS

Have you ever wondered where you could get a chair "just like" the ones in Capt'n Jack's Oyster Bar? Or how to get a duplicate of a certain "period" mirror used to decorate one of the shops along Main Street, U.S.A.?

If its currently available on the market, the folks at Buena Vista Interiors will help you locate and obtain duplicates of virtually any furnishing or decoration being used at Walt Disney World. Besides this unique and exclusive service, Buena Vista Interiors offers a full range of interior design services to the general public, cast members, as well as for our own Company.

For the "inside story" on interior design, Disney style, **EYES & EARS** visited Buena Vista Interiors at their new showroom, next to the Pottery Chalet in the Walt Disney World Village at Lake Buena Vista.

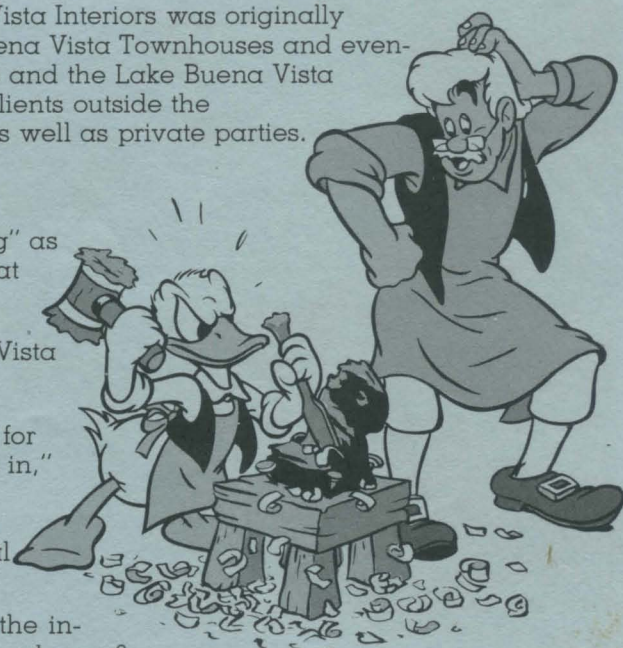

**Fred Rodgers**, Senior Interior Designer, explained that Buena Vista Interiors was originally organized to handle decorating chores for leasees of the Lake Buena Vista Townhouses and eventually expanded their duties to include decorating the Treehouses and the Lake Buena Vista Club. Now however, "Almost 90% of our work is being done for clients outside the Company", according to Fred. These clients include businesses as well as private parties. One of their more recent tasks was decorating the convention facilities for the Hotel Royal Plaza.

Demand for the services of Buena Vista Interiors is "snowballing" as people in the Orlando area are finding out who they are and what kinds of things are being done!

But just what is interior design, and how do the folks at Buena Vista Interiors create that distinctive Disney touch?

"Interior designing is being able to help people develop a style for themselves as individuals; a pleasing environment to work or live in," according to Fred. He feels that there is a lot of psychology involved in the business of Interior Design. It is important to know the tastes and personal lifestyle of the client well. Reaching a final design is actually a very gradual process.

Being a part of the Disney family offers special advantages in the in-

have." Our Company resources give us much more to draw from than a single firm would normally have.

Fred also points to Disney's extensive theatrical background as another definite advantage in a pro-

fession where dramatic flair can be the difference between mundane and stunning.

Buena Vista Interiors' new showroom in the Village contains hundreds of unusual room accent pieces, wall accents, and furnishings. A sales staff is on duty during normal operating hours in the Village. If you would like to see one of the designers, it is advisable to call for an appointment. Fred pointed out that the busy schedules keep the designers "on the run" and away from the showroom from time to time.

Cast members receive regular discounts at Buena Vista Interiors, so if you're building a new house, or remodeling the old one, or still trying to find that chair "just like" the ones in Capt'n Jack's Oyster Bar, now you know who to see . . . and tell them **EYES & EARS** sent you.

Fred Rodgers, Senior Interior Designer, explains where some of the unusual turn-of-shings were acquired for his showroom displays.

Please submit any ideas to **Editor: EYES & EARS**, Disney University. Oh yes, please include your name and department . . . so we know who to credit!

## CONSTRUCTION ON VISTA BOULEVARD

The repaving of Vista Boulevard from the Toll Plaza to the Administration Area Security Gate began Tuesday, February 7 and is expected to continue for approximately six weeks. Traffic will be restricted to one-lane during construction, so all employees are advised to take alternate routes to their work locations if at all possible.

Unless you work at Fort Wilderness, it is suggested that you refrain from using Vista Boulevard and enter the property at the North Service Area off Reams Road or at the Main Gate Toll Plaza to avoid any delay.

### "PIXIE DUST" COMING SOON

We're sure that many of you "old-timers" out there will remember *Just A Little Bit Of Pixie Dust* from way back at the beginning . . . a satirical stage play that covered our first year of operation to sell-out audiences every night. Well, we're bringing it back, and with the original cast!

That's right, *Pixie Dust* is coming soon to Cast Activities. We will be showing the video tape of the play in Cast Activities February 20-24 at 7 pm. Watch **EYES & EARS** next week for details on how you can relive those hectic early days!

## SOMETHING "BIG" PLANNED FOR THE WORLD SERIES OF ENTERTAINMENT!

The Big Band sounds of **Maynard Ferguson**, **Neal Hefti**, **Stan Kenton**, and **Woody Herman** will highlight a special World Series of Entertainment in the Magic Kingdom, Friday, March 3 from 9 pm to 1:30 am!

Woody Herman

Neal Hefti

Stan Kenton

Maynard Ferguson

A single price ticket for this exciting musical extravaganza entitles guests to admission to all entertainment areas, unlimited use of 45 Magic Kingdom attractions (except Shootin' Gallery) and the Walt Disney World Transportation system.

Tickets for the event will go on sale February 11 at an advance sale price of \$7.95, \$8.95 at the gate. Cast members will be able to purchase special discount tickets for \$6.50 beginning February 20.

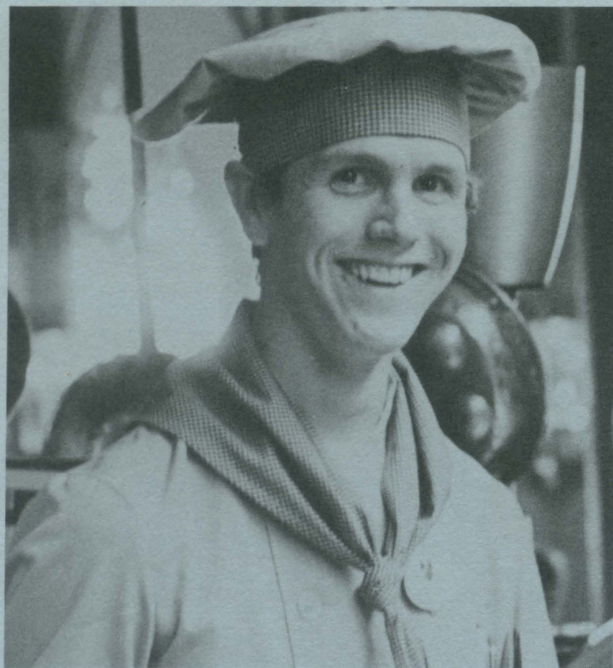

Don't forget that tomorrow night the Magic Kingdom hosts our annual **Valentine Party** from 9 pm to 1:30 am, featuring entertainment by **England Dan & John Ford Coley** and **Elvin Bishop**. The Magic Kingdom will end regular operating hours at 7 pm and reopen at 9 pm for those attending this special event. Tickets are still available in **limited** quantities for an advance sale price of \$7.95, \$6.50 for employees. If the event is not sold out, tickets will be available at the gate for \$8.95.

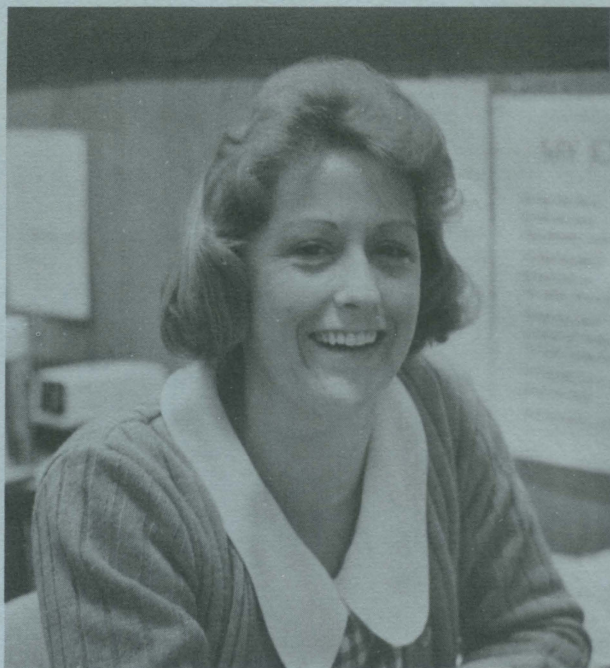

Our new **Southern Seas** was officially christened last Tuesday by Walt Disney World Ambassador **Vicki Jaramillo**. Numerous employees who participated in the completion of the vessel were all on hand for the special occasion. The **Southern Seas** has already begun making its daily World Cruise voyages and is scheduled for several private parties.

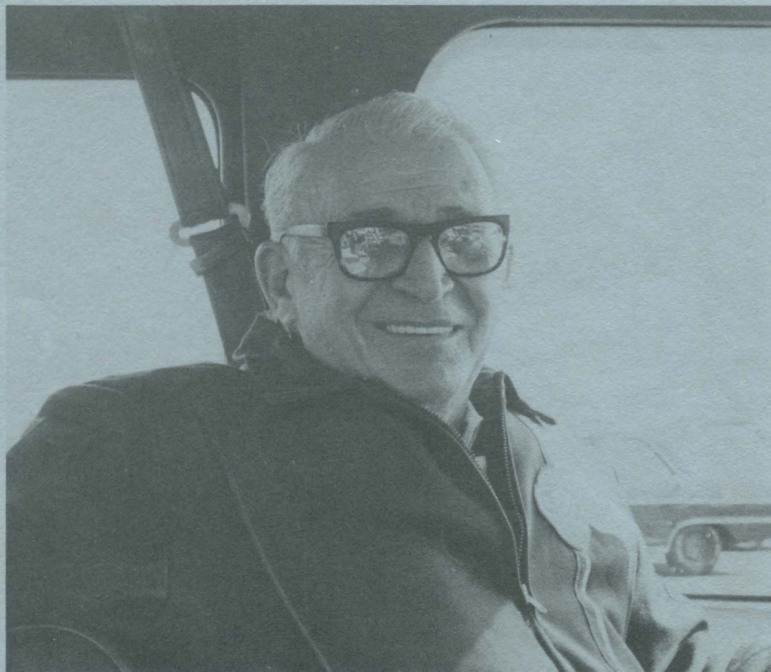

# "It Takes People"

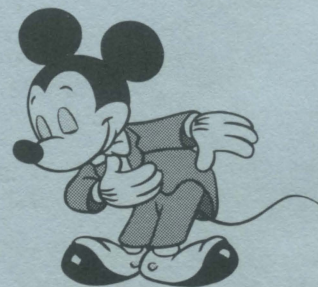

Those delicious meals at King Stefan's must be prepared hours before the first guest arrives and that's exactly what **Chuck Broyles** finds himself doing each morning! A native Orlandoan, Chuck came to Disney three years ago as a CR Steward and was later promoted to a Culinary Assistant, going permanent after graduation from Oak Ridge High School in 1977. His culinary career is only a sideline to Chuck until he leaves for fall term at Freed-Hardeman College in Tennessee to study his real love . . . music! Chuck said he loves to spend hours playing jazz on his piano and trumpet. He admits taking time off to enjoy surfing and water skiing in the summertime, but he never stops making music!

After spending years traveling the country with her Air Force father, **Tanya Stephenson** has finally found her special niche in life in a teeny office on the third floor of the Empress Lilly where she works as a Clerk Typist. Joining the Disney cast two years ago was about the best thing that could have happened to her, according to Tanya. She loves working with people and loves her present job, though she is practicing her shorthand so she'll qualify for a promotion! Tanya spends most of her free time buried in a book, dabbling at painting, or sewing. Actually, Tanya just likes to try anything that strikes her fancy . . . as long as it's fun!

Facing the quiet life of retirement wasn't exactly what **Al Davis** had in mind when he left his Ohio home for sunny ol' Florida, so he came to Disney and joined our cast! Being an avid conversationalist, Al loves driving the Car Care Center shuttle transporting guests and employees to and from their destination while their cars are being repaired. In between "runs" he helps out around the garage, cashiering, answering unending phone calls, and assisting with the Car Care Center Wardrobe! As a Casual Regular employee, Al still finds the time to go fishing, boating, or just plain relaxing whenever he likes . . . but he always knows he'll have plenty to do when he comes back to work!

## CONTEMPORARY WINS CHAMPIONSHIP!

After a hard fought basketball season, the **Contemporary Housekeeping** team came up from behind to take the championship trophy in our **Double-A** league, while the stomping **Transportation Tickets** team pulled off a perfect season in **Single-A** competition.

Only one loss would have knocked Contemporary Housekeeping out of the finals tournament early last week, but the Housekeeping gang . . . as they did last year . . . came back through the loser's bracket to defeat a gritty **Central Foods** team on

the court and retained their ranking as Walt Disney World's number-one basketball team.

The Housekeepers broke out of a close game last Monday evening at the Pine Hills Boy's Club gym to take down the straight-shooting Central Foods team, evening out both teams' seasonal tally. Then the pressure was on for Tuesday night, as both teams went heads-up against one another. The Contemporary crew fought off a third-quarter Central Foods rally to record a final victory of 83-68 and take the top trophy in

Double-A competition. Central Foods was awarded the runner-up hardware.

Meanwhile, in Single-A action, it was all Transportation Tickets, as they romped through the season to take the winner's trophy and finish the season with a 15-1 record. The **Zoo Crew** held on through the long season, but couldn't quite match the powerful onslaught Transportation put on through the tournament. Zoo Crew was awarded the runner-up position.

Congratulations go out to every team competing in this year's Double-A and Single-A basketball leagues.

*Double-A champs Contemporary Housekeeping*

*Single-A winners Transportation Tickets*

### SPORTS, CLUBS & SPECIAL EVENTS

#### WOMEN'S BASKETBALL IN FINAL TOURNEY PLAY

In first-round games last week, the **Scavengers** defeated the **Magic Kingdom** gals by a landslide 49-16 score, and **LBV Village** hit the courts to outlast **Central Foods** 19-10.

In the next night of play, the Scavengers came up against the LBV Village ladies that had handed them their only seasonal defeat earlier in the year, and in a close-fought contest, the Scavengers won by a 24-16 final tally. On the other court, the Magic Kingdom team survived several Central Foods last-second shots to win by the very thinnest of margins, 17-16.

In third-round action, where the last two teams with only one defeat during regular season play met, the

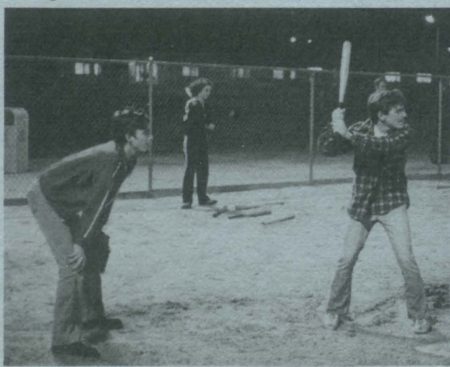

LBV Villagers and the Magic Kingdom gals hooked up in a real tight ball game, with the Villagers breaking away in the end to win with a 32-18 final score.

Next week, **EYES & EARS** will carry the results of the tournament championship play between the Scavengers and LBV Village.

### INTER-DIVISIONAL SOFTBALL PITS FOODS AREAS

In a show of inter-divisional rivalry, **Fantasyland Foods** challenged **Tomorrowland Foods** in a softball battle to the finish with both a men's and women's team from each area going to bat.

After Tomorrowland's women's team failed to show up for their battle with the Fantasyland gals, Fantasyland **mixed** their guys and gals to form a mixed team to play the Tomorrowland Foods men. And in a surprise outcome, the **mixed Fantasyland team** soundly whipped the **Tomorrowland men** 13-8 in the final inning!

**Paul Vogt** goes to bat in the **Fantasyland Foods** versus **Tomorrowland Foods** contest.

Just a reminder that Cast Activities has many facilities available, including our **softball fields** and **Little Lake Bryan**, should you want to have an inter-divisional event or even a department event. Call them at extension 4254 for more details on how you can host your own sporting event or party!

### SOFTBALL STILL NEEDS PLAYERS

Anyone interested in joining one of our Men's or Women's teams for seasonal softball play, should contact Cast Activities right away for more information.

All **spectators** are reminded that there will be some good ball playing this year, and there are plenty of

seats available at our Administration Area softball fields. The gals will play Monday evenings beginning at 7 pm, with the men playing Tuesday through Thursday beginning at 8 pm.

### TABLE TENNIS LADDER FORMING

Here's some good news for all of our table tennis competitors . . . Cast Activities has begun taking sign ups for the all new **Table Tennis Ladder** which will provide our cast members with a continuous across-the-property ranking of players.

Included will be three divisions — advanced, intermediate and novice for both men and women. And trophies will be awarded to the number-one position every three months, with the first trophies going out in March.

Players choose their "rung" in the Table Tennis Ladder during February and begin playing shortly thereafter. Every player may challenge anyone else on the Ladder up to five position above them. You arrange a convenient time and place for the match, and then play a best two-out-of-three 21-point game.

All players must agree to match rules, game conditions, and equipment before the match begins. Disputes should be played over.

Please call Cast Activities at extension 4254 to sign-up for the Table Tennis Ladder. Leave your name, work location, extension, home telephone number and best time to play. There will be a \$1 fee to join the Ladder.

### TENNIS LADDER MOVES

In the Advanced Men's Division, **Mike Kennedy** of Industrail Engineering (4-1) advanced along with **Bill Marshall** of Photography who bettered his record to 10-2. **Eddie Carpenter** of Finance improved to 3-0 and **Kevin Bergstrum** of the Village Restaurant is now at 1-2.

In the Women's Advanced Division, **Jean Brock** of Casting defended her position while improving her record to 1-2.

### DIVE CLUB NEWS

Planned for later this month is a Dive Club favorite . . . a **West Palm Beach** drive! The club has a boat chartered for Saturday and Sunday, **February 25 & 26**. You have the option of diving either one day or both on this trip, with two dives per day set. The cost

for club members if \$16 per day. The boat is limited to eight divers, so to avoid missing this fun trip, sign up in Cast Activities now.

Here's advanced notice of a fantastic trip . . . the Dive Club will be flying out on **May 12th** for four super days of diving on the beautiful reefs of **Cayman Brac**! The cost for club members if \$299, which includes everything but your souvenirs. Come to the next Dive Club meeting for details.

### BOWLING AT 1 AM?

These cast members are certainly enjoying themselves as they participate in our 1 am Bowling League, which utilizes the fine facilities at Kissimmee

Lanes. We don't know how many strikes they made, but each deserves extra points just for showing up at 1 am to play!

### SPORTSMAN'S ASSOCIATION SPECIAL MEETING

There will be a special meeting of all **Sportsman's Association** members on **Monday, February 13**, at 7 pm at Rossi's Pizza, corner of South Orange Blossom Trail and Oak Ridge Road. This includes all of the **campers** and **fisherpeople**.

The next fishing tournament will be on the Kissimmee Chain on **Sunday, February 12**, using the Southport Park for launching. The campers will be traveling to a location to be announced on **February 17, 18 & 19th**. Sign ups for both will be in Cast Activities. Call them at extension 4254 for details.

## ARE YOU INTERESTED IN MARTIAL ARTS OR SAILING?

If so, then we may have just the club for you! Cast Activities is looking for interested employees to form two new cast clubs . . . a **Martial Arts Club** and a **Sailing Club**. Read on for details of both.

### Call It Kung Fu

Cast member **Jerry Miller** has agreed to teach an ongoing course in

Kung Fu and Karate for Martial Arts club members. Jerry comes to us as a **10th Degree Red Sash** (that's higher than a Black Belt for the uninitiated martial arts fans out there) in Kung Fu, having placed second in the World-Wide Kung Fu Championships before and studied for over two years under martial arts expert and movie star **Bruce Lee**. Jerry has 16-years of experience and holds several teaching certificates. He explained that his method of Kung Fu is similar to Bruce Lee's; and includes the best movements from Karate, Judo, Aikido, Savate, Kempo (Korean style Karate), and Geet Kune Do (Bruce Lee's personal style of Karate).

If you would be interested in joining the Martial Arts Club and taking lessons in these art forms, call Cast Activities right away for details.

### From Sun Fish To Ocean Cruising

Several cast members have approached Cast Activities with the

idea of forming a **Sailing Club**. They want to establish an organization which would allow club members with a common interest in sailing access to information about the sport of sailing, boats, boat construction and purchasing, safety, as well as instruction on sailing techniques.

And through forming a club, members can charter boats at a reduced fee, get "hands-on" experience" and even meet members of other clubs seeking crews for races, etc.

Do you need to own a sail boat to join? **No** . . . just have the interest. So, whether you're interested in racing Hobie Cats or open ocean cruising, the Sailing Club may be just the thing for you! Call Cast Activities at extension 4254 right away for more details on how YOU can get in on the ground level of our newest cast club.

## NEW TEAM BILLIARDS TOURNAMENT

Up in the clouds in the advanced division, the team of **Fred Wessel** (Facilities) and **Mike Jones** (Wardrobe) beat **Garland Pace** and **Tommy Jenkins** (both of Zoo Crew) in games 21-11, 21-15, and 21-15.
